Quest series

QUEST 9.5

With its wide and stable double-arch hull design and roomy cockpit, the Quest 9.5 is the boat of choice for an exciting afternoon on the lake. The hull grooves are responsible for its tracking qualities and the great durability the Quest series is known for, while its short length keeps it maneuverable and makes it easy to load onto a vehicle.

- Stand out Features:**
- Stern 15" dual density rubber hatch
 - Flushmount rod holder
 - Contour Fit system
 - Front deck bungee storage
 - Sealed bulkhead for added security
 - 2 drain plugs for easy draining

QUEST 10

With its famous Greenstard bow and arched multi-chine hull, the Quest makes paddling effortless and exciting. A wide outline combined with a fine waterline make it stable yet gives it a lively feel. It will allow you to safely lean on edges and style high and low-brace turns, while its roomy cockpit will let you stretch and enjoy the sun if you simply don't feel like pushing it!

- Stand out Features:**
- Stern 10" deckplate
 - Flushmount rod holder
 - Contour Fit system
 - Front deck bungee storage
 - Sealed bulkhead for added security
 - 2 drain plugs for easy draining

QUEST 10HV

This Quest 10 HV was designed for comfort and maneuverability. It comes with a convenient sealed bulkhead to keep your stuff dry along with 2 each rod and cup holders. Combine that with our contour fit seating system equipped with a cushy, compression-molded seat pad that fully adjusts for your comfort and this is the ideal boat for a leisurely cruise on the water.

Edge series

EDGE 11

Low on the water, the stable and agile Edge 11 literally feels like a shrunk-down sea kayak thanks to its progressive chine and a generous yet sleek outline. The integrated deck makes its hull stiff and the skeg lets you focus on destination, while the front deck rigging and rear watertight compartment take care of your belongings.

Available in:
BIO-FUSION CONSTRUCTION

EDGE 13

With an eye-popping low deck profile so you don't feel lost inside, and a package of features that would make any sea kayak blush with envy, the Edge 13 brings together harmony of shape and relevancy of features. Its hull offers a nice blend of primary and secondary stability, so you'll be immediately comfortable in a boat that will grow with you.

Available in:
BIO-FUSION CONSTRUCTION

EDGE 14.5

With its slender bow and slim deck profile, the rudder-equipped Edge 14.5 is where elegance and efficiency cross paths. It has just the right amount of chine and keel to make it track well, yet has a swift and versatile character. And to top it all off, it has most of the features serious sea kayakers call their own.
